Dear Wisconsin Bank Executive,

Please be advised that due to these unprecedented times, the Department of Financial Institutions would like to minimize disruption in your operating environments. We want our financial institutions to focus on maintaining your operational functions to better serve your customers. As such, we are suspending any examination-related requests for information and exams for the immediate future. As regularly scheduled exams are coming up you will be contacted by your district supervisor at DFI to discuss next steps, questions, concerns, etc.

We will be monitoring and re-evaluating the situation. Should you have questions or concerns please do not hesitate to reach out to us.

I also want to thank each of you for the support you are providing to your customers and your communities at this time.

Please stay safe and healthy,
