Course Selection:

Consumer Lending Online Course

Ideal for those new to consumer lending, as well as current lenders who want to enhance their knowledge. The course covers forming a loan policy, generating applications, learning about the credit investigation, and understanding the evaluation of and decisions that go into every loan application. Learning objectives include:

- Explain the consumer lending process
- Describe various loan products
- Identify components of the consumer installment credit market
- Apply credit math and loan pricing principles
- Recognize variables that affect loan structure
