Today was an exciting day for your child! During a special presentation from [BANK NAME] the class learned about saving money and earning income. We read the book *It's a Habit, Sammy Rabbit!* by Sam Renick. In the story, Sammy Rabbit learns a huge secret from his Auntie Squirly that can help him rescue his family: Saving is a great habit! We discussed the story and learned how important it is to save money, especially if we have a goal. Your child may want to keep this goal near his or her piggy bank or on a jar so they can watch their savings grow!
