ABOUT THE WISCONSIN BANKERS FOUNDATION

Empowering financial decisions through education and research

Wisconsin Bankers Foundation, Inc. (WBF) is organized for charitable and education purposes. Its mission is to promote financial literacy and financial responsibility to the public and to broaden consumer empowerment in the financial services industry through research, education, grants, and scholarships. The Foundation assists consumers by providing information that will help them make sound choices about financial products — offering grants and scholarships to advance the education of students and professionals in both the public and private sectors, providing consumer education presentations, and performing research.
