Re: Wisbankpac Authorization Form

Please take a moment to read and fill out the Wisbankpac prior authorization form that is on the back of this sheet. This form is a required compliance document that allows you and WBA to solicit contributions for the 2023 political fundraising campaign.

Time is of the essence, so please return this form by scanning and emailing it to us AS SOON AS POSSIBLE. Again, this is a required federal compliance document that must be signed by the bank CEO if you are going to ask your employees to participate in political contributions to Wisbankpac.

Your contributions play an integral role in the success that WBA's Government Relations program is able to achieve. Your contributions go toward the election of pro-banking candidates who understand the important role financial institutions have in providing the financing to grow Wisconsin's economy.

Should you have any questions or concerns please feel free to contact either of us at WBA. We look forward to another successful election cycle thanks to your support.

The undersigned CEO or “the corporate representative” states that he/she has not granted and will not grant any such sole authorization to solicit on behalf of another federally registered PAC during the calendar year(s) authorized by the CEO’s or “the corporate representative’s” signature.
